

N-DURE

A PREMIUM NON-STERILE PEAT INOCULANT FOR BLENDED COVER CROPS

NOT A PLANT FOOD PRODUCT.

Contains: *Rhizobium leguminosarum* biovar *trifolii* (Clover), *Rhizobium leguminosarum* biovar *viciae*, & *Bradyrhizobium* sp. (Vigna)

Registration Number 2019007A *Fertilizers Act*

This chemical does not meet the hazardous criteria set forth by the 2015 WHMIS standards.

KEEP OUT OF THE REACH OF CHILDREN

Please read all directions and specifications carefully before using this product. This product may contain fungi and bacteria, and may cause adverse effects to individuals who are allergic to certain micro-organisms including moulds, and also to immune deficient individuals. Avoid exposure through inhalation, or to open wounds and eyes. Use standard protective clothing and equipment including gloves, safety glasses and a NIOSH or MSHA approved nuisance dust mask during product handling and storage. Use this product in a well-ventilated area.

This product contains live organisms that are sensitive to chemicals and harsh environmental conditions.

GUARANTEED MINIMUM ANALYSIS

This inoculant guarantees a minimum of:

Rhizobium leguminosarum biovar *trifolii* (Clover) 100 million (1x10⁸) CFU/g, *Rhizobium leguminosarum* biovar *viciae* 68 million (6.8x10⁷) CFU/g, and *Bradyrhizobium* sp. (Vigna) 32 million (3.2x10⁷) CFU/g.

LEGUMES TREATED

- Beans: Adzuki, Faba, Jackbean, Mung, Tepary, Velvet, and Winged.
- Clovers: Alsike, Alyce, Ball, Berseen, Bigflower, Carolina, Cluster, Crimson, Hop, Hungarian, Ladina Red, Large hop, Persian, Puff, Rabbitfoot, Red, Seaside, Slender bushclover, Small hop, White, and Zig-zag.
- Peas: Black eyed, Clay, Cowpea, Field, Flat, Garden, Iron, Partridge, Pigeon, Pink eyed purple hull, Rough, Specter, Sweet, Tangier, and Trapper.
- Vetches: Common, Hairy, Joint, Manantha, Narrow leaf, and Purple.
- Misc: Acadia, Centrosema, Crotolaria, Desmodium, False blue indigo, Hairy indigo, Kangaroo thorn, Korean lespedeza, Kudzo, Lentil, Lespedeza, Sericea lespedeza, Siratro, Stiped crotolaria, Sunn crotolaria, Sunn hemp, Wild indigo, Winged crotolaria.

DIRECTIONS FOR APPLICATION

- Use this product to inoculate only the legumes designated on this package.
- Label seed with the same expiration date as the product if intended for resale.

SLURRY METHOD APPLICATION

- Dampen the seed with non-chlorinated, clean, cool water at a rate of 500 mL (17 US fl oz) of water per 45.4 kg (100 lbs) of seed.

- Add appropriate amount of inoculant, 340 g (12 oz) per 100 lbs (45.7 kg) of seed, and mix dampened, and inoculant thoroughly until the seed is uniformly coated.

- This method should be done in a container outside the planter box.
- Allow 1 to 3 minutes for mixture to dry and then plant as soon as possible.

DRY APPLICATION METHOD

- This product can also be applied directly onto the seed. Mix seed and inoculant thoroughly until seed is uniformly coated. Layering seed and inoculant will aid in this process.
- Applying the inoculant dry is also recommended for seed that is pre-treated with fungicide. However, maximum seed adhesion will not be obtained by applying this product dry.

STORAGE/DISPOSAL RECOMMENDATIONS

- Store in a cool, dry place out of direct sunlight.
- Keep from freezing.
- Store product between 4.4 °C and 27 °C (40 °F and 77 °F).
- Open package only when ready to use.
- Use before expiration date.
- Small amounts of product which cannot be used according to the label instruction may be disposed of in a landfill.

LIMITED WARRANTY

Verdesian Life Sciences U.S., LLC (Verdesian) warrants that this Product conforms to the specifications set forth on the label. This Product is reasonably fit for the purpose stated on the label when used in accordance with the label directions and instructions under normal conditions of use.

VERDESIAN NEITHER MAKES, NOR AUTHORIZES ANY AGENT, REPRESENTATIVE OR THIRD PARTY TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Neither the warranty of merchantability nor fitness for a particular purpose, expressed or implied, extends to the use of this Product contrary to label instructions or under abnormal conditions or under conditions not foreseeable to the Seller or Verdesian.

Limitation of Remedies. The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories), shall be limited to, at Verdesian's election, one of the following: (1) replacement of the amount of product used; or (2) refund of the purchase price paid for the product; provided that Verdesian's provision of (1) or (2) is conditioned on its first being promptly notified of such loss or damage in writing. Verdesian shall not be liable to the buyer or any other party claiming by, through, or under the buyer for any other losses or damages resulting or relating to this product, including but not limited to any direct, indirect, special, punitive, economic, incidental or consequential damages or loss of profits, whether in contract, tort or otherwise. Verdesian neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale, storage, use or handling of this product other than expressly set forth herein.
