

Elegana Perennial Ryegrass

An Elite New Generation Perennial Ryegrass

Excellent Overall Turf Quality

Elegana Perennial Ryegrass is a new cultivar which exhibits excellent turf performance over a wide range of conditions and climate regions. Elegana has exceptional performance in Northeast and Transition Region climates.

Improved Disease Resistance

A strong disease resistance package provides Elegana Perennial Ryegrass with excellent resistance to gray leaf spot, dollar spot and red thread.

Outstanding Dense Turf

Elegana's growth habits and leaf texture provide for outstanding turf density ratings.

Improved cold tolerance

Elegana has proven to survive cold climate condition and long winters.

Top Performance in Traffic Tolerance

With high test ratings in density, Elegana forms a dense turf that stands up to high traffic and comes out shining.
