

Make More from our Mulch

Here's how you make more money using our mulch:

Bottom Line: More Profit for You

You get up to 30% higher loading

- More mulch in the tank = 30% more area covered per load for the same labor
- More money in your pocket at the end of the job - savings add up over days
- Save maintenance costs - less wear and tear on your machine
- Use less water - reduces time and costs

Bonus #1: Better for the Planet (while you make more \$\$\$)

- Greener option that performs better
- Grow grass in difficult environments
- Easy to see and dye-free

Bonus #2: Enhanced Germination

- Sticks the seed to the soil itself
- Locks moisture in the soil where plants need it most
- More Nitrogen for plant growth
